

SPABOUTIQUE

The feel of nature and intimacy is the soul of Spaboutique. Visiting the spa is almost like being at home. To best enjoy Spaboutique, treat yourself to a day's resort getaway without having to leave the country. The signature treatment 2-in-1 rose and lavender scrub wrap is a combination of a scrub and wrap that creates a maximum effect. Sea salt is used to exfoliate the skin, circulate blood, and remove dead skin cells, followed by the application of lavender cream. The formula acts as a nourishing cocoon to firm and hydrate the skin whilst soothing tired muscles.
